

Deaths Mantle: An Urban Fantasy Novel (Revelations) (Volume 1)

One does not simply play with hellfire. When a cyclops breaks into his school and tries to kill his girlfriend, the last thing Malcom expected was for emerald flames to leap from his fingertips and blast the monster to dust. Now, hell have to come to terms with his new power before he and his friends are consumed by an ancient unstoppable evil desperate to be free. No big deal, right? Deaths Mantle is the first book in the Revelations series, an urban fantasy series. Readers who enjoyed Jim Butcher's Dresden Files, Patricia Briggs's Mercy Thompson series, or Kevin Hearne's The Iron Druid Chronicles will likely enjoy this paranormal adventure. *Book 2: War and Famine (ASIN: B019VNDG5W) is on sale for only \$3.99!*
