

From Misery to Mystery

From Misery to Mystery weaves together comedy, romance, adventure, intrigue, tragedy and spiritual revelation into a rich tapestry. From KGB interrogations in Soviet Russia to speed dating in downtown Kansas City, each chapter builds upon complex themes of enduring love, self-discovery, and spiritual fulfillment. This single-mother, immigrant, musician, preacher, daughter, story-teller guides struggles through betrayal, personal tragedy and social injustice without ever losing hope and child-like wonder. With just the clothes on her back and limitless determination, she builds a foundation of faith, love and happiness to sustain herself, her children and the man she loves.
