

Free Chicago: Free things to see and do in the Chicagoland area

Written by author James Bilodeau, *Free Chicago* is the only book on the market dealing specifically with the many free attractions the Chicagoland area has to offer. Geared toward families, *Free Chicago* lists over 85 places to visit. Museums, historical sites, nature parks, and art galleries are all included in the book. Each attraction is given at least an entire page which lists the attractions address, phone number, and web site. Also included are in-depth descriptions of what visitors can expect to see at each location. The histories behind each attraction are also included, making *Free Chicago* an invaluable educational resource for anyone who wants to learn more about the Chicagoland area.
