

Money & Montana (Volume 1)

Money is the boss of the Get Money Mafia. Hes trying to stay afloat and run his empire alongside his mentor, Grant, when he happens to stumble across Montana. Neither of them are looking for love, but once they cross paths they become inseparable. Montana King is living the life that every girl dreams of until her dad is arrested by the Feds. Forced to move out of Atlanta and relocate to New York City with her uncle, Montana has no choice, but to leave everything and everybody she once knew. Little does Money know, but Montana has a few secrets of her own that could cause a shift in Moneys life. Will Money and Montanas love be able to survive all the secrets that surround them? Or, will it cause them both to meet an untimely fate?
