

From Wifey to Sideline

How does one go from wifey to sideline? How can a man go from loving you to treating you as if you're irrelevant? Celena loses her family and everything that she has ever owned due to a natural disaster, but when a friendly stranger with a handsome face comes to her rescue with an offer that she can't refuse, she doesn't think twice about dropping everything and going with him. Will the dreams that he sell her come true? Or will going with him be the biggest mistake of her life? Sean had always envied his twin brother, Pierre and he wanted everything that he had, including his woman, Jaila. Sean gets his chance to win his dream girl when Pierre gets sentenced to five years in prison. Will Pierre ever find out Sean's true intentions? Will loneliness lead Jaila to temptation? Skylar was living lavishly with her husband, a big time lawyer, but when a dirty secret is revealed, he shows his true colors, and she realizes that she married a stranger. Will she escape while she can, or will she stay and play her role as wifey? Follow these characters in their journey of love, sex, and lies as their lives are turned upside down and secrets are revealed, leaving you speechless.
