

## Gabriel & Mr. Death

She saved Gabriel's life. Now he must take on Mr. Death to save hers. Gabriel is a coon hound with an unusual gift: he can see Mr. Death. He doesn't think too hard on it until one Christmas Eve when Mr. Death comes for the person Gabriel loves most. He can't let that happen. No sir, no way. No matter what a poor hound has to do. A touching story by an award-winning author about a dog's love and loyalty and the healing power of family.
