

Garfield Hams It Up: His 31st Book

Faster than a jelly donut, able to gobble lasagna in a single gulp ... Its the one and only feisty furball Garfieldthe corpulent cat with an attitude second only to his appetite. So whether hes relishing the fall season (the crinkle of autumns rustling leaves sounds remarkably like potato chips) or sharpening his claws (quite handy for scratching through a plastic cheese wrapper), rest assured that where Garfield goes, funand foodare fast to follow! The GARFIELD CLASSICS series collects the early years of the GARFIELD comic strip in a larger, full-color format. Garfield may have gone through a few changes, but one thing has stayed the same: his enormous appetite for food and fun. So laugh along with the classic cat, because classics are always in style.
