

Gilding Lilies

Some decisions happen gradually, while others happen in split seconds. Lily learns the importance of following her inner spirit when there is a battle over her soul. In this coming-of-age novel, Lily travels all the way to Moscow to have a Change of Face on a famous reality show known to make beauties out of the ugliest ducklings, but there are several things she couldn't have imagined happening. One decision leads her down a path that is far from ordinary, but it also awakens something she didn't know existed inside her. It is the choice between beauty or keeping one's soul that prompts a personal war Lily never could have imagined.
