

Opened For the Doctors: Hartly Institute: Book Five

Its 1962 at the Hartly Institute and Caroline Dunne has enjoyed her time as a classroom model for Dr. Williams classes on the female sexual response. Its time to open up new horizons, however, and once again, Dr. Williams has the latest techniques to show the class. Once Caroline has learned how to open the back door, she gets a trip to The Barn--the domain of the stern Mrs. Larouche! About the Hartly Institute Series: Each book can stand alone, but over-all, the story builds in intensity as Caroline becomes acclimated to her new environment. Caroline is bringing up the rear in this installment which also features spanking, humiliation, and exhibitionism
