

Glue, Baby, Gone (A Kiki Lowenstein Scrap-N-Craft Mystery Book 12)

After the worlds longest pregnancy, Kiki has her baby. But nothing in Kikis life goes as planned, does it? Youd think Detweiler would be over-the-moon with happiness, but instead hes acting like hes been jabbed with a diaper pin. Anya is sharing inappropriate pictures, Erik is wetting the bed, and someone is trying to steal newborn babies from hospitals in St. Louis. Kiki comes down with a bad case of the new mommy blues, and then one of her worst enemies winds up dead. Its enough to make Kiki to cry like a baby--but help is on the way. Or is it?
