

Trapstar: I Did Not Choose This Life

Brianna Cambell had a tough road to travel growing up in a household where she was unwanted. A constant reminder of her mothers indiscretions, Brianna is unwilling to continue to be the target of her step fathers anger. She leaves her suburban life style for the streets of Charlotte NC. In true Charlotte faith Brianna is linked up with Treshawn Nash, a local hustler. Tre has lived the alternate life; raised by his grandmother who showered him with love in the midst of violence, drugs, and poverty. The two are made for each other. Brianna provides the genuineness and innocence Tre has longed for. While he gives Bri the unconditional love she desperately needs. However, when tragedy strikes their world is turned up side down.
