

Mountain Journal

This beautiful journal is the perfect momento for visitors to Canadas mountain regions. Featuring sixteen full-colour illustrations by wildlife artist Grace Buzik, quality lined writing paper with ragged fore-edges, and a sturdy, elegant hardcover binding, Mountain Journal provides a special place to record your thoughts and experiences. Each illustration captures a familiar mountain animal or bird in amazing detail and realism. Journal writers will enjoy sharing their pages with lynx, elk, harlequin ducks, weasels, marmots, and more.
