

## AA City Map & Mini Guide: Madrid (Aa City Maps)

Extremely useful and easy-to-use, these city sheet maps feature one side with a city map of the destination, with places of interest marked on it. Comprehensive tourist and transport information is on the reverse, all to help visitors find their way around. The maps are laminated, making them weatherproof and perfect for taking out and about. Tourist information includes top sights, shopping, where to eat and drink, ticketing information, a transport map, and how to get around. This is the ideal combination of the AAs knowledge and expertise in mapping and travel guides.
