

Explore the Grand Canyon (CD-ROM): Embark on a Multimedia Journey You'll Never Forget

Is an interactive, accurate 3-D model of the Grand Canyon based on the US Geological Surveys Digital Elevation Model. Features an amazing 180-mile river journey from Lees Ferry to Whitmore Wash, which reveals the Canyon's most spectacular sights and wild rapids. Contains interactive topographical maps presenting every square mile of the Canyon to help you navigate in, through, and around the Grand Canyon. Has over 3,000 photographs from master photographers--taken from hundreds of vantage points. Offers hundreds of never-before-seen photographs and video clips of the Canyon. Gives over 2 1/2 hours of narration, original music, and sounds of the Canyon.
