

## Great Book of Wooden Toys

Norm Marshall was a well-known toy maker, whose classic toys were loved by children and woodworkers alike. They provided hours and hours of entertainment for countless generations, and best of all - they were easy to build. Now you can build a Norm Marshall wooden toy! You'll discover 37 three-dimensional projects, each complete with an exploded illustration, a materials list and detailed step-by-step instructions for a fool-proof building experience. More than 125 photographs show woodworkers how every piece goes together. A special chapter is also devoted to finishing or painting your toys for a professional look. Toys include: - Classic Model T car - Steamroller - Bulldozer - Biplane - Trains and much more. There are also 16 projects perfect for beginners - like a pull-along train and circus animals. Softcover. Color. 232 pages
