

## Winston-Salem, NC (City & County Street Atlas)

The Winston-Salem StreetAtlas is a full color guide that is conveniently sized for ease of use. The atlas begins with a legend for the entire atlas. It is followed by Central Winston-Salem and its places of interest. Next come the three major educational institutions of the area--Wake Forest, Winston-Salem State University, and Salem College. All three have numeric building indices. Following the Greensboro, High Point, and Winston-Salem Area map is the map locator showing the location of the 32 area maps and their relation to central Winston-Salem. The thirty-two sectional maps follow. The atlas concludes with a city and community index which is followed by a street index and finished with a places of interest index.
