

Guerra y paz / War and Peace (Spanish Edition)

Obra maestra de vigencia indiscutida, novela de las novelas, mito cultural, Guerra y paz ocupa seis años de exhaustiva labor literaria a Leon Tolstoi (1828-1910). En el prólogo a la obra, Victor Andresco pone de relieve el afán totalizador de esta novela en la que el autor tuvo como objetivo recrear la vida del hombre. Es por ello que en esta obra única todos los personajes, sea cual sea su importancia en ella, reciben un tratamiento tan atento como los propios hechos históricos o cotidianos en que se ven envueltos. El resultado es una novela que sumerge al lector en la corriente de la vida, deparándole una experiencia singular y transformadora que no tiene parangón en la literatura.
