

Hack: The Complete Game

Roger Hack OCallahan is angry. Even though he's managed four World Series-winning teams over a career spanning more than forty years, he's finally encountered a foe he can't beat: liver cancer. Armed with a supply of his favorite cheap whiskey (Old Reliable) and with his sharp tongue zipping off callous remarks from his foul mouth, Hack decides to spit in the face of his impending demise by worming his way into managing the AA Hoplite Magpies, a team divided and at odds with each other and the rest of the Northern League. As Hack instills a little old school discipline in this rag-tag bunch, he comes to find that his players are keeping secrets of their own, secrets that threaten to tear his clubhouse and the world of sports apart at the seams, and which may ultimately cost them their lives. The omnibus version of the series originally released in three parts, *Hack: The Complete Game* is a thrilling roller coaster ride of a comedy similar to *Major League* or *Bull Durham*, with plenty of dark twists that will keep you laughing and guessing until its shocking conclusion. **HERES WHAT REVIEWERS ARE SAYING ABOUT THE SERIES:** D.J. Gelner, author of the insanely fun novel *Jesus Was a Time Traveler* once again hits a home run with his newest series, *Hack*...Needless to say I thoroughly enjoyed this book. Once again, the author proves that he has what it takes to convince even the most skeptical of us of his literary genius. -Dennis Berry, *Reviews4Readers.com*, on *Hack: Innings 1-3* The writer here is terrific. He is cracker-jack paced and his descriptions are vivid. He doesn't flinch from powerful images. *Hack* is a disgusting, foul-mouthed old man, at least at the start, and the writer lets you see him in all his glory...if you like your books gritty and real, and/or are looking for a good sports story, I'd check this one out! -Review of *Hack: Innings 1-3* on Amazon. [L]ike a good baseball movie,

I found myself riveted during the games. Even if you dont understand the game all that well, Gelner makes it easily accessible. -Review of Hack: Innings 1-3 on Amazon. [C]haracters so real I could swear they were flesh and blood...D.J. Gelner has some magic in his writers fingertips, because beyond the appeal that underdogs hold for me - and in spite of (or because of) Hacks cantankerous tongue - I remained riveted by his story. I devoured Innings 1-3, read Innings 4-6 in one sitting, and now impatiently await the final installment of the serial: Innings 7-9. Dont miss this one. Its good! -Review of Hack: Innings 1-3 on Amazon. I continue to be impressed with the writer. He takes twists and turns Im not expecting, but he does it with such confidence I just followed along. He continues to portray the world of men and sports with a vivid and unflinching hand...theres heart at the bottom of all of it, heart as Hack and the team members find themselves. I am definitely caught and cant wait for the third installment to see how it all comes out! -Review of Hack: Innings 4-6 on Amazon. Like Innings 1-3, Innings 4-6 is a rip-roaring read , exciting, engrossing, and with many surprise twists, I cant wait for Innings 7-9! -Review of Hack: Innings 4-6 on Amazon. [V]ery easy read and entertaining throughout. Thought the characters were real and stayed true, Keep it up DJ. cant wait for 7-9. -Review of Hack: Innings 4-6 on Amazon. DJ Gelner is ahead of his time. Loved this three-part series. Definitely a page turner, exciting, funny, and heart-wrenching at the same time. Gelner knocked it out of the park! -Review of Hack: Innings 4-6 on Amazon. I thought the conclusion was great, lots of twists I didnt see coming. Again, great characters. edge of the seat type stuff for sure. Nice work. -Review of Hack: Innings 7-9 on Amazon.
