

## Halfway to the Grave (A Night Huntress Novel, Book 1)

Half-vampire Catherine Crawfield is going after the undead with a vengeance, hoping that one of these deadbeats is her father--the one responsible for ruining her mothers life. Then shes captured by Bones, a vampire bounty hunter, and is forced into an unholy partnership. In exchange for finding her father, Cat agrees to train with the sexy night stalker until her battle reflexes are as sharp as his fangs. Shes amazed she doesnt end up as his dinner--are there actually good vampires? Pretty soon Bones will have her convinced that being half-dead doesnt have to be all bad. But before she can enjoy her newfound status as kick-ass demon hunter, Cat and Bones are pursued by a group of killers. Now Cat will have to choose a side ... and Bones is turning out to be as tempting as any man with a heartbeat. Authors comment: The NIGHT HUNTRESS series is an urban fantasy romance featuring half-vampire heroine Cat Crawfield. My heroine and hero have a difficult road ahead of them and they will have to work very hard to earn their HEA (happily-ever-after), so their story isnt over with the first book. Hope you come along for the ride.
