When it comes to driving the Road to Hana on Maui, it's the journey, not the destination, that is the main attraction. Let Hana Highway Mile by Mile: The Road to Hana & Beyond guide you along the 52 miles of undeveloped road, 56 one-lane bridges and 617 curves. You will pass by the most breath-taking scenery on the face of the earth. It was literally a million years in the making. And the journey doesn't end in Hana, it continues well beyond the sleepy coastal town at the bay.
