

Harvest Of Blood (Book Three of The River Rising Trilogy 3)

Book Three in the River Rising Trilogy -- chronicles the adventures the fictitious Drummond family, along with their friends and loved ones, through the final part of the larger River Rising story. In Book Three, the Cherokees arrive in Indian Territory after suffering untold hardships on the Trail of Tears. If they thought their lives would settle down, they are in for a shock. Tribal blood law requires the assassination of those responsible for giving away the Cherokee homeland without approval of the National Council. Murder and mayhem wreak havoc on the lives of our characters who battle false accusations and further tragedy in their lives. So relentless is the onslaught of bitter revenge that it becomes necessary for some of our characters to seek refuge in a new way.
