

## Heat Rises (Nikki Heat)

In the third book of the New York Times bestselling Nikki Heat series, following HEAT WAVE and NAKED HEAT, Richard Castle's new thrilling mystery continues the story of NYPD Homicide Detective, Nikki Heat. Tough, sexy, professional, Nikki Heat carries a passion for justice as she leads one of New York City's top homicide squads. In what's sure to be another smash sensation by blockbuster author Richard Castle, readers will once again follow Nikki Heat and hotshot reporter Jameson Rook as they trade barbs and innuendos all while on the trail of a murderer! For the third tie-in with the ABC television show, CASTLE, we will once again be releasing a portion of the chapters electronically, available for digital download in advance of the hardcover publication. The show will integrate the new book in the same way they did for HEAT WAVE and NAKED HEAT, with mentions of the book beginning in episodes that will air in spring and culminating with the publication of the book in Fall 2011.
