

Heather and Heath

Love of a place. Is it a blessing or a curse? Established in the highlands of Van Diemens Land in the 1830s, the property of Glen Heather captivates yet breaks the hearts of three women across three generations. One who was there at its birth, one must hold it for her son, and one who loves it best of all, stand to lose what has become their world. How far will they go to hold what is theirs?
