

The Comedies / The Tragedies / The Histories (3 volumes)

Shakespeare: The Complete Works (The Comedies, The Histories, The Tragedies - Easton Press - Collectors Editions, 3 Volumes) In the First Folio, the plays of William Shakespeare were grouped into three categories: comedies, histories, and tragedies. There are 15 plays in this volume of Comedies: *Alls Well That Ends Well* *As You Like It* *The Comedy of Errors* *Loves Labours Lost* *Measure for Measure* *The Merchant of Venice* *The Merry Wives of Windsor* *A Midsummer Nights Dream* *Much Ado About Nothing* *The Taming of the Shrew* *The Tempest* *Twelfth Night* *The Two Gentlemen of Verona* *The Two Noble Kinsmen* *The Winters Tale*. This volume was illustrated by Edward Ardizzone; introductions by Peter Alexander. The histories might be more accurately called the English history plays and include the outliers *King John* and *Henry VIII* as well as a continuous sequence of eight plays covering the Wars of the Roses. These last are considered to have been composed in two cycles. The so-called first tetralogy, apparently written in the early 1590s, deals with the later part of the struggle and includes *Henry VI*, parts one, two & three and *Richard III*. The second tetralogy, finished in 1599 and including *Richard II*, *Henry IV*, Part 1, *Henry IV*, Part 2 and *Henry V*, is frequently called the *Henriad* after its protagonist Prince Hal, the future *Henry V*. There are ten plays in this volume. This volume was illustrated by John Farleigh with introduction by James G. McManaway. There are 13 plays in this volume of The Tragedies: *Antony and Cleopatra* *Coriolanus* *Cymbeline* *Hamlet* *Julius Caesar* *King Lear* *Macbeth* *Othello* *Romeo and Juliet* *Timon of Athens* *Titus Andronicus* *Troilus Cressida and Pericles*, *Prince of Tyre*. This volume was illustrated by Agnes Miller Parker with introductions by Peter Alexander.
