

Hiking in Quebec (Green Escapes S.)

Part of the Ulysses Green Escapes series, Hiking in Quebec is the only hiking guide on the market to cover all of Quebec's regions! This guide presents descriptions of over 100 hiking trails in every corner of the province of Quebec, classified according to their level of difficulty. Written by a specialist in the field, Hiking in Quebec has become an indispensable tool for beginners and experienced trekkers who wish to discover Quebec's great outdoors. This guide includes practical information to help you prepare your hikes and make the most of each excursion, with overviews of the province's flora and fauna, tips for bird-watching and hiking with children, walking clubs, hiking etiquette and public transportation. It also features maps illustrating the various parks and regions, and a list of the author's favourite trails to help you pick the perfect destination for your hiking excursions in Quebec. The Ulysses Green Escape series features a wide range of books to assist you in your outdoor adventures in Quebec and Canada.
