

Holidays in Ocean Alley: Special to the Jolie Gentil Series (Jolie Gentil Cozy Mystery Series Book 9)

Opening your apartment door to see a woman sliding down it is distressing. Especially when that woman has a knife in her chest. How could a murderer be roaming the halls in the middle of the night? After all the times she has encouraged Jolie to mind her own business, Aunt Madge has had a change of heart.

Its Jolies boyfriend Scoobie Madge turns to to help her figure out who the murderer is. Not that being temporarily in an assisted living apartment prevents Aunt Madge from investigating herself. No, a fall from a stool that results in a broken wrist and ankle cant hold down the owner of the Cozy Corner B&B. Could the murderer be a resident with a grudge, or a philandering neighbor who didnt want to get caught in someone elses bed? Aunt Madges scooter rides take her to the laundry room where she thinks she spots a body in a bin, and into the cold to check exit doors to be sure they cant be entries for murder. All she gets is a reputation for being nosy. Its hard not to be when a dead womans blood is on your carpet.

Murders not all Madge and friends juggle. What will happen to the Alzheimers patient whose husband wants to keep her in their apartment? Will Scoobie find information about Melvin, his ornery former professor, that will explain his odd behavior? And how will Madge and her good friend Lance avoid the acid-tongued Elmira Washington, who has decided she wants an apartment in their building? Elmira has been a thorn in Jolies side for years. Would she be willing to kill to eliminate a roadblock to her move? For a change, its Madge whose persistence annoys Sergeant Morehouse of the Ocean Alley Police. He tells her she is moving up on his pain-in-the-ass list. Certainly the director of the Silver Times senior complex wants Aunt Madge to get well enough to leave. And she does miss her exuberant retrievers and husband Harry. Hes busy burning muffins at the

B&B instead of helping Jolie with the appraisal business. Good humor at the Jersey shore. Except for the poor dead woman. Add the Christmas and Hanukkah season and theres good fun mixed with the murder.
