

The Great Hollywood Double Hustle

When a gang of film-star look-alikes decide to try and con a Hollywood producer into financing their bogus blockbuster movie, they know its the biggest gamble of their lives but looking like the biggest flange of film-stars ever assembled to make a movie, has got to help. The Great Hollywood Double Hustle invites you into the curious world of a desperate gang of film-star look-alikes who are prepared to risk everything to escape what they consider to be, their dysfunctional Doppelganger fate. Prepared to take on predatory Hollywood producers and unscrupulous agents that stand in their way, they are not so well prepared when their financial backer, a low-life porn-producer with an axe to grind against the Hollywood machine, starts looking as trustworthy as a chocolate teapot. It doesnt help the group dynamic that their Brad Pitt look-alike egotistically believes that he is far more attractive than his real star counter-part and even worse, he is probably right. Worse still their George Clooney look-alike; a farmers son from the Welsh valleys, looks exactly like the real Hollywood star but unfortunately can only sound like a farmers son from the Welsh valleys. For their leader, a perfect Danny DeVito lookalike called Stanley, none of these problems are insurmountable but what scares him most is the fact that, if it all goes wrong, they will all go to prison for a very long time, or as George would put it, Be in total shit. Read by the amazingly talented comedian and impersonator Anil Desai, be prepared to listen to a soundalike of all your favourite Hollywood stars as he brings to life this entertaining romp. Look no further for your laugh-out-loud bawdy beach book this summer, The Great Hollywood Double Hustle is a laugh-a-minute look-alike winner!
