

Housecarl (Aelfraed Book 1)

Set in the years before the Battle of Hastings the story follows the trials and tribulations of Aelfraed, a young boy who aspires to be a warrior. When his uncle, Aethelward, takes him to join the warriors of Harold Godwinson, his life is irrevocably changed. Fighting the Welsh brings him great honour and when he saves the life of Edward the Confessor, he becomes a man of great reputation. The novel culminates in the battle of Stamford Bridge when the Housecarls defeated the last of the Vikings, Harald Hadrada.
