

## Grandparents War: A Play

An Epic Clash of Cultures in Two Hilarious Acts On the weekend of the birth of their first child, the young couple, Dwight and Hope, get unexpected and unwanted house guests as each of their domineering parents show up at the same time. Hopes parents, fresh from China, immediately clash with Dwights father, a retired Marine colonel and Dwights English mother, the new age eccentric who does iguana breathing patterns while hawking her Mother Earth Tea. Both sets of grandparents-to-be scheme to get control of their childs household while vowing to get rid of each other. To further complicate matters, Dwights sister Cordelia also shows up unannounced with her Indian boyfriend.

As families and cultures collide, Dwight and Hope try desperately to survive the birth of their first child as they are being squeezed from all sides. Grandparents War is a hilarious, yet poignant play about family expectations and learning to get along. It is perfect for high school or community theater.
