

I Am a Craftsman: 40 at 40: Celebrating the 40th Anniversary of the Craftsmens Guild of Mississippi with 40 of Its Exhibiting Members

Mississippi would be a different state culturally without the excellence of handcrafted products by the talented members of the Craftsmens Guild of Mississippi. For four decades, the Craftsmens Guild of Mississippi has been a driving force in supporting local artisans and in sculpting the craftsmen of tomorrow. Since 1973, the Guild itself has been exposing Mississippians to fine art crafted from our states own valuable, natural resources by the hands of our own talented citizens. This volume, with over 160 images, celebrates Mississippis finest craftsmen, forty of the Guilds talented artisans, on the fortieth anniversary of the founding of the Craftsmens Guild of Mississippi. The Guilds craftsmen fostered change in the way people perceive craft and elevated craft to fine art. I Am a Craftsman: 40 at 40 shares their stories and remarkable talents.
