

Idle Ideas in 1905

Idle Ideas in 1905

K. Jerome Jerome

An enthralling tale, it narrates the hair-raising experiences of a professor. As the protagonist dwells on his past sorrows and mistakes, a phantom visits him. It offers him a bizarre escape from painful recollections of yesteryears by offering to eradicate his memory. On seeing the professor turn into a man devoid of emotions, the reader realizes how clueless one becomes without a past. Riveting!
