

Im In The Mood For Food: In The Kitchen With Garfield

Over the years, Garfield the cat has struck a chord with readers who can identify with his laidback, shall-we-say-lazy approach to life. The famous feline--whose passion for food and sleep is matched only by his aversion to diet and exercise (he prefers lie-downs to sit-ups)--has become the poster cat for all kinds of people, none of whom would ever describe themselves as Type As. To celebrate being the worlds favorite feline, Garfield introduces Im in the Mood for Food: In the Kitchen with Garfield. Chock-full of tasty recipes, the cookbook also features spot art and food-related Garfield comics in color. Im in the Mood for Food includes chapters on Family Food, Party Food, Pasta, Outdoor Cooking, Kids Recipes, Snacks, and Desserts. Consider some of these mouth-watering morsels: Lazy Cats Lasagna, Color Me Hungry Red Pepper Potato Frittata, Royal Roasted Lemon-Herb Chicken and Id Rather Be Happy Than Thin Chocolate-Chunk Cookies. All in all, Im in the Mood for Food will appeal to cooks everywhere, especially those who love Garfield and, like him, believe that the best things in life are edible.
