

Backpacking through 196 countries in 500 Days

Follows the story of Marie, an American girl of French parents. She has heard her parents talk about beautiful and distant lands but has never had a chance to travel anywhere. At age 21, she decides to see the world, with just over \$7,000 in savings. This exciting journey of 196 countries in 500 days details her adventures, the dangers, the excitement and the marvels she encounters during her sojourn around the world.
