

Caribbean Passion (Interracial BMWW Romance Series 1)

Demarco Young is a party-loving, handsome black Jamaican who has women tourists falling for his rugged charm. He is brash, confident and a master in the bedroom. April James is the white, spoiled, beautiful, enchanting heiress to a major New York advertising empire, who is used to doing things her way. A chance meeting in a Jamaican night club during her vacation transforms into a steamy, sizzling romance that moves from the islands shores to the heart of the Big Apple, where passions escalate amid a sea of intrigue, as April's father, the rich and powerful Francisco James, is hell-bent on removing his daughter from what he perceives to be the clutches of a Caribbean gigolo. Caribbean Passion is a sexy love story of two individuals drawn from diverse backgrounds and their fight to forge a meaningful relationship. From the reggae laced island of Jamaica to the pulsating streets of New York, theirs is a story filled with passion.
