

El fugitivo (Spanish Edition)

Una angustiante novela del maestro de terror Stephen King sobre un aterrador futuro donde la television es la unica realidad. A mediados del siglo XXI, un concurso televisivo, cuyo principal atractivo es la muerte de los participantes, bate records de audiencia. Ben Richards, padre de una nina enferma y sumido en la mas profunda miseria, decide concursar atraido por los extraordinarios premios, aun a sabiendas de que no sobrevivira. Sometido a una implacable persecucion, se plantea un unico objetivo: resistir tantos dias como sea posible para aumentar el premio y asegurar la subsistencia de su familia.
