

## Elton Plays: 1: Gasping; Silly Cow; Popcorn (Contemporary Dramatists) (Vol 1)

Ben Elton's plays in one volume for the first time. Gasping: "an often hilarious satire on yuppie-dom, advertising and corporate greed" (Daily Telegraph); "... the sharpest futuristic comedy since Henceforward, and the best Green comedy since The Good Life was young." (Financial Times). Silly Cow: "It has an ingenious plot... another perfect occasion for a Ben Elton satire on the modern world..." (Financial Times). Popcorn: "An enjoyable, intelligent, thought-provoking play" (Independent); "It thrills on stage precisely because it adopts the sick humour, sickening violence and downright sexiness of the Stone-Tarantino school of film-making that Elton is satirising" (Evening Standard).
