

## Operation: Christmas Hearts

Ashley Torrington never cared much about Christmas before. But this year shes having a particularly blue holiday because Marine Special Operations Team member Nick Turner got under her skin just before he was deployed to Afghanistan. With her neighbors precocious daughter Bella volunteering Ashley for a special project at school, and a mysterious white-haired stranger named Estelle in town buying gifts from Ashleys shop, not to mention the odd assortment of presents Ashleys been receiving from an anonymous source, she shouldnt have time to worry about her guy. But when he and his team go missing the week before Christmas, she realizes only a Christmas miracle will reunite them. Captain Nicholas Turner never backed down from challenges?on the battlefield or in his personal life. But hed never met a challenge like Ashley, who doesnt want to be anyones girl back home. Now hes on the other side of the world, wanting to be anywhere but in Afghanistan for Christmas. About to embark on one of the most dangerous missions of his life, he needs Ashley to know shes much more than the girl hed left behind, and he does plan to come home to her. But in the meantime, a little Christmas magic would be appreciated. Little does he know, hes about to get his wish.
