

Revelation: The Todor Trilogy, Book One

In a land where magic was created through the spilling of blood, turmoil is looming. Grief and despair flood the land of Todor, and its creators--the omniscient Deis--consider destroying it altogether. That is, until a single spot of joy attracts their attention: the idyllic village of Aerie. Believing in the hope found there, the Deis give Todor one more chance. They place three infants within this village who are unknowingly tasked with ending Todors suffering and saving all creation. As these three grow, they discover that their beloved village is a haven of secrets, and nothing is as they believe. Can Gemynd, Soman, and Numa move beyond the secrets of Aerie in order to learn the truth about themselves and the world they thought they knew? With impending war, passionate love, and the heartbreak of separation facing them at every turn, will they do what is required to save Creation? An imaginative fantasy debut from Jenna Newell Hiott, Revelation combines intrigue, passion, and magic to create a mythic tale like no other. The first book in the epic Todor trilogy, Revelation introduces readers to a unique fantasy realm intelligent and layered with hidden truths, it will stay with you long after youve read the last page.
