

Imp Hunt 2 (Battle Cards) (The Social Workshop)

Description Imp Hunt 2 The Social Workshop Battle Cards was created to turn an ordinary deck of playing cards into a brand new and exciting game that people of all ages can enjoy. Allow yourself to be drawn into the fantasy world we've created and battle against friend and foe alike. Playing the game is easy. All you need is one deck of playing cards and this instructional manual. Choose exciting pre-made characters, or use your imagination to create your own characters, each with their own bonuses and penalties, special attacks and devastating spells. Collect the spoils of war with each win and start that quest to become the paragon of a true warrior. Not everyone has what it takes to reach those lofty heights. Do you? It's the annual Imp Hunt, so get your hunting gear ready, call your hounds, and saddle up, because you've got a hunt to complete. The imp has run, but it cannot run fast enough. The imp has hidden, but it cannot hide well enough. What tricks does the imp have left up its sleeves? Only the hound knows for sure. Some call it blood-lust, but you prefer to call it blood-sport, and it's the greatest game in the land. This standalone expansion includes 4 new bonus characters and ups the play count to a minimum of 2 players and a maximum of 8 players. It is not required to purchase the original game as this updated manual contains the full version of the game. Number of Players: 2 - 8 Estimated Playing Time: 45 Minutes
