

Infernal Stock: Deliverance

Will you forever be the person you were born to be? Dixon Azel faces the greatest threat to his way of life when he is obligated to let a pregnant friend hide out in his sworn bachelor den of a house. His manly sanctuary becomes a social center for the women of the Council as they attend to the expectant mother, and the charming demon must adapt. In the final installment of Infernal Stock, Dixon teams up with friends old and new to protect the unborn child against attackers from above, below, and places unknown. Through their trials, the compatriots will come to understand the true source of identity, and discover what it means to live with free will in the face of one's greatest hopes and darkest fears. A Satirical Urban Fantasy set in the American Southwest, *INFERNAL STOCK - III: DELIVERANCE* was written by a 10-year survivor of Fortune 500 corporate bureaucracy. Full of dark humor, it is the tale of a regular guy working for a heartless corporation, where the CEO happens to be Satan.
