

## Sidelined: By His Game, Book 2

Macey Kelly has sworn off men: Unless they're going to zip in and out of her apartment quicker than they can give her an orgasm, she's not interested. The last thing Jack Carr needs at the start of the season is for a dark-haired, sexy as sin beauty to be consuming his thoughts. Football is his life, which leaves no time for girls. Avoiding each other is the perfect solution. But when your best friends are in a serious living-together kind of relationship, that isn't always an option. Then Mitch shows up with a bombshell that could shatter Macey's perfectly carved-out life. It's been a year, but he isn't giving her up - not now that he has a chance at winning her back. Macey quickly realizes she's the ball being passed between two desperate yet opposing teams and that only one of them can score the touchdown. But will the winner be the guy she lived with and loved for three years, or will the winner be the guy who understands her and makes her body come alive? Contains mature themes.
