

La Gata (Spanish Edition)

En esta obra de madurez Colette narra la historia de un triángulo amoroso formado por Camille, su marido Alain y la gata Saha, objeto de las mejores atenciones de Alain, pero rival de Camille. La autora construye una conciencia simbólica en la gata, que es también la piedra de toque de su personal literatura y un tesoro irrenunciable de la infancia que se resiste a desaparecer. La gata reúne lo ficticio, lo íntimo, lo real y lo pasional del amor, lo imaginario y lo autobiográfico, en un lenguaje directo y un tanto mordaz que nos introduce en el rico mundo sensitivo de Colette. Esta novela corta, fábula moderna sobre los celos, representa una poderosa crítica frente a las convenciones de la burguesía y un paso decisivo en el ideario de la mujer independiente.
