

Iron Kingdoms Excursions: Season Two, Volume Two

Take a short journey to adventure with Iron Kingdoms Excursions! Each volume in this series features three very brief tales about the people, creatures, and machines of Immoren. Explore the Iron Kingdoms and all the alliances, betrayals, and bloodshed of a war-torn continent for only pocket change. In Iron Kingdoms Excursions: Season Two, Volume Two: Lay in wait to ambush a deadly pistol wraith with the former Order of the Amethyst Rose gun mage Canice Gormleigh in *Duel with the Dead* by Richard Lee Byers. Follow an Iosan Seeker in northern Khador as he searches for answers to ancient questions and tries to defend himself from hostile locals in *Hold Back the Dark* by Larry Correia. Choose between love and the Motherland with a Khadoran Widomaker who makes her choice with a pull of the trigger in *Liberator* by Josh Vogt.
