

## Jane Eyre: Original Illustrations with Dramatic Audiobook link

Orphaned into the household of her Aunt Reed at Gateshead, subject to the cruel regime at Lowood charity school, Jane Eyre nonetheless emerges unbroken in spirit and integrity. She takes up the post of governess at Thornfield, falls in love with Mr. Rochester, and discovers the impediment to their lawful marriage in a story that transcends melodrama to portray a woman's passionate search for a wider and richer life than Victorian society traditionally allowed. With a heroine full of yearning, the dangerous secrets she encounters, and the choices she finally makes, Charlotte Brontë's innovative and enduring romantic novel continues to engage and provoke readers. \* Active table of content \* Includes all illustrations from the original edition \* Includes a link to free dramatic audio reading!
