

# When I am Quiet on Maui: An Hawaiian Bedtime Story (Tiki Tales Book 1)

This is the perfect Maui book for children of all ages. As a former Upcountry Maui bookseller, this book was my top recommendation and my top seller. The prose and artwork give a wonderful authentic picture of our island home. ~Shay C.H. from Maui

The Tiki Tales book series, created, written and illustrated by Judi Riley, introduces keiki to rare and endangered Hawaiian animals. Rileys popular bedtime series is not just for bedtime, and can be found in elementary and preschool classrooms to teach about Hawaiian culture, language and sense of place. Her series are also frequently (as in all of the time) selected for celebrity, Pro & VIP gift baskets, including the Hawaii State Societys Inaugural Ball gift basket for President Obama, the Mercedes Golf Tournament, and the Maui Film Festival. Maui's mayor selected *When I am Quiet on Maui* for the islands time capsule that will be opened in 100 years. You'll have to ask her great great great grandchildren what she inscribed in the book and what messages she hid in the illustrations. Maui author, illustrator, artist, dreamer, sailor, and mom, Judi Riley drifts through her days in a creative swirls of paint and ink, and usually a handful of chocolate chip macadamia nut cookies and a good cup of coffee. Some day, she will live on a boat and sail the oceans azure blues with an easel, a big paint brush, her kid and her very big dog. When she is not painting or drawing, you can find her in that magical place where the sea meets the land.
