

Kathi Macias 12 Days of Christmas - Volume 8 - Yankee Doodle Christmas

Art Historian and Los Angeles native Margot, her pastor husband Paul, and his mother, Ruth, are spending their first Christmas in Mitchell, the small town in Californias central valley theyve been called to serve. Ruth suffers from Alzheimers and Margot cares for her. Eager to be accepted in the rural community, city girl Margot happily agreed to decorate their historic parsonage in a Nativity theme as part of the womens clubs annual Christmas Home Tour. After all, Estelle Delsey, the stodgy old widow who has installed herself as Mitchells ultimate arbiter of taste and standing in the community, made it clear that the parlor display of the large pieces, hand-carved by the towns very first pastor, was required. In her efforts to fit in, Margot even agrees to bake Mrs. Delseys famous butter cookies to serve during the tour. But when Ruth confuses Christmas with the Fourth of July, Margot must choose: Does she fulfill her promise to Mrs. Delsey or humor her mother-in-laws confusion? With some help from Paul and from her next-door-neighbor and best friend Sue, Margot is determined to honor Mitchells Christmas tradition and her mother-in-law. A series of surprises punctuate the day, leading to some soul-searching and a rare rebuke from her adoring husband. By the time a surprising twist ends the remarkable day, she is reminded that when she honors God, the other details seem to work themselves out. ?
