

Like Tigers Until Dawn: A Gay Erotic Drama

Former high school teacher Matt Brandon is stuck in a rut: unemployed, recently divorced, living on a run-down council estate, and pining for his lusty young rugger captain lover, Jack Adams, who seduced him as an 18-year-old student four years ago. When Matt meets fellow loaner, Aussie bad-boy Stuart Donovan, the pair embark on a sexual adventure which sees their lives change for ever. Matt falls for drop-dead gorgeous renowned French operatic tenor Logan Thomas, while Stuart become involved with closeted tennis ace, Jeremy Grant. Life for the pals is not always a bed of roses as they encounter drama, prejudice and near-tragedy, but things turn out for the better when the irascible Jack arrives back on the scene. Warning: this book contains adult material of a sexual nature.
