

Searing Heat (Tales from the New Zealand High Country)

A wild fire is about to cause havoc on Baxter and Maureens beloved Mt Martyn Terraces, a New Zealand high country sheep station. Worse than that, Baxter could be right in the path of the bush fire with his horse (Toss), dogs (Jesse and Max) and a mob of wethers due for shearing. As the impending disaster unfolds, stockmen Murray and Brad set out to find Baxter, while neighbours across the river from Glen View homestead provide backup. Nothing seems to go to plan. And Brad, a newbie stockman, is stretched to perform. Can they find Baxter and bring him to safety? Other characters youll meet include: Ted, the stockman with a stutter who can curse fluently; Tui the cook-housekeeper on Glen View; Soft Billy, Tuis Maori partner whose native medicine is a force to be reckoned with.
