

## Kolchak the Night Stalker: Compendium

Carl Kolchak was TV's first paranormal investigator, albeit a reluctant one. His exploits have been the inspiration for the X-Files and beyond! Kolchak is a talented newspaper reporter who used to handle all of the big stories, but his reputation has taken a few hits over the years as his stories have become more and more strange, surreal, and unknown. He is a relentless truth-seeker, no matter how bizarre that truth may be. The fact that no one believes him, and that his stories rarely get printed anymore, only fuels his desire to get to the beating heart of the matter!
