

Kyte

Hello, my name is Danny and I dont eat much. Well, how would you introduce yourself to someone who didnt know you were coming to live with them? My name really is Danny and this is my story of how I came to live with Marj with only a map of London Zoo to guide me and a second class train ticket. Its also the story of how I met Kyte and survived The Battle On The Hill and The Trouble Brothers and the best way to decorate your Christmas Tree. Marj thought it should be called Marj The Magnificent but when you read it, youll know why its called Kyte, even if Marj is magnificent. I hope you like it. I know I do.
